

To all of our family and friends,

Sat. Jan 5, 2008

We are safe in Nairobi with all of our CMF team except one family cut off in Lodwar, located in northwest Kenya. They are safe and well stocked with supplies...we talk daily via cell phone. We are closely monitoring the situation here daily. Contingency plans are in place should they be needed. Yesterday and today have been pretty quiet...we pray it continues. There is a sense of "normal" appearing in Nairobi...some shops reopening down town...more people out and about...shelves better stocked at the grocery stores. However, the towns outside Nairobi are low or lacking food, gasoline, diesel, kerosene, and other supplies. Scratch cards for mobile phone credit are almost non-existent in these places leaving no communication for many Kenyans. When we left Nairobi on Wed, we took a 20-litre jerry can of gasoline to the Narok Training Center to run the water pump for the center as there was no gasoline in Narok. We also took phone cards out to Walter, the center manager, as they were not available to buy in the area.

Please pray for Kenya that peace prevails...opposition parties can come to some agreement...violence stops...our safety and the team's...God's peace to rule in all our hearts and His wisdom as decisions are made and life is lived...God's people will shine and His Kingdom rule. Pray against the spirits of anger, pride, arrogance, and tribalism that have fueled the violence and unrest.

We are extremely grateful for all your prayers for us, the ministry, and Kenya.

Updates are being sent every few days to the CMF website...www.cmfi.org. There is a link there to our team's Maasai website, www.maasai.net.

Love to you all,

Dori for the Caziers
